

**Town of Menomonie
Dunn County Wisconsin
Resolution 2026-02**

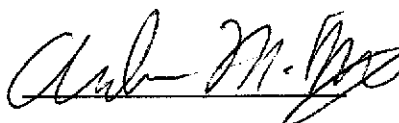

The Town of Menomonie adopts the following advisory resolution regarding the proposed Innovation Grant for EMS services in Dunn County.

The Town Board believes that pursuing the EMS Innovation Grant would serve the best interests of the Town of Menomonie and other municipalities within the Menomonie Rural Fire District. The grant would provide additional funding during the grant period, enabling the purchase of updated equipment without imposing an extra tax burden on residents. Given the increasing cost of equipment, all municipalities would benefit from utilizing these funds for necessary updates, thereby avoiding levy increases or borrowing. While we recognize that the grant funds are temporary, prudent spending on items that do not require ongoing financial support once the grant period ends would ensure fiscal responsibility and long-term benefit.

The Town Board of the Town of Menomonie approved this Resolution on February 10, 2026

Chairman-Kent Jackson

Supervisor-Arden McMartin

Attest: Clerk, Charisse Sutliff
